

Tabouret Solvay

Designer: **Jean Prouvé**

Manufacturer: **Vitra**

£710

DESCRIPTION

Tabouret Solvay by **Jean Prouvé** for **Vitra**.

Designed by Jean Prouvé in 1942, Tabouret Solvay is a simple, robust stool made of solid wood with a design that immediately expresses the design principles for which Jean Prouvé is known. Thanks to its level seat, Tabouret Solvay may also be used as an occasional table.

DIMENSIONS

35dia x 40w x 45cmh

MATERIALS

Seat in oiled, solid wood available in natural oak, dark oak or American walnut finish.
