

Citizen Highback, 2020

Designer: **Konstantin Grcic**

Manufacturer: **Vitra**

£3,260

DESCRIPTION

Citizen Highback by **Konstantin Grcic** for **Vitra**.

Grcic's modern flair shines out in the Citizen chair; it has a structural and sculptural tubular frame curved to provide comfort.

Suspended on three cables the upholstered seat can swing or rock. It is a flexible and unique seating system.

The future classic shows off its metal structure, a contemporary contrast to its range of bold and bright upholstery options.

DIMENSIONS

77w x 88.5w x 104.5cmh

MATERIALS

Frame made from tubular steel in a deep black textured finish. Back support shell is made in rigid polyurethane foam, encased in moulded polyurethane foam. The seat is constructed from metal inserts, encased in moulded polyurethane foam. Suspended on frame by means of three steel cables, cathodic dip coating in black.

Upholstered in fabric or leather. Leather Premium F is a cowhide leather with a smooth finish and beautiful top sheen. It is dyed-through and has a light pigment. It is also eco-friendly as it's treated with an olive tree leaf tanning agent (a by product of the olive harvest). Choose from 22 different colours for this premium leather collection.
