DESCRIPTION

Locker Box by **Konstantin Grcic** for **Vitra**.

A great storage solution for flexible working, the Locker Box is a portable caddy that can hold everything required for work tasks. Carry your laptop, keyboard, papers, pens, cables, hard drives, headphones and any work accessories in this practical storage. It can be dismantled easily to be stored away.

The box comes with a simple sturdy construction with two recycled plastic side panels joined by aluminium tubes. The top aluminium tube can be used as a handle. A structure of textile panels with welded seams is suspended on five tubes to form the compartments.

Optional name tags for personalisation are available in various colours.
