Belleville dining table by **Ronan & Erwan Bouroullec** for **Vitra**.

Named after the Paris quarter where Ronan and Erwan Bouroullec's studio is located, the Belleville collection is a streamlined and technically sophisticated family of chairs and tables inspired by the classic furnishings of the typical Parisian bistro or cafe.

At once characterful and restrained, Belleville chairs and tables are perfectly suited to domestic interiors and contract settings alike.

The table frame is available in two configurations: a smaller bistro table with a star-shaped base and a square or round top, and a rectangular dining table with curved T-frame legs and two different sizes of tabletop.

Please note that only the solid core tabletop is suitable for outdoor use.
