At once characterful and restrained, Belleville chairs and tables are perfectly suited to domestic interiors and contract settings alike.

The table frame is available in two configurations: a smaller bistro table with a star-shaped base and a square or round top, and a rectangular dining table with curved T-frame legs and a range of different tabletop sizes.

The full range of options for tabletops can be viewed on the downloadable spec sheet.

Please note that only the solid core tabletop is suitable for outdoor use.
