

Abalon sofa, 2022

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Vitra**

£5,920

DESCRIPTION

Abalon sofa by Ronan & Erwan Bouroullec for Vitra.

With its name derived from the shell of a sea snail, the Abalon sofa's organic curved shape draws people in. The sofa can accommodate three people with the upholstered seat shell available in different knitted fabric covers on the front and back. The fabric covers can also be removed in full for cleaning or replacement.

Choose from a diverse range of upholstery options to match the choice of colour for the base frame. The base is available in three different powder-coated colours.

For full specifications and the range of upholstery fabrics available, please see the downloadable PDF in the Product Downloads section. Available fabric swatches can be viewed in person at our showroom and shop as well.
