

## Corniches, 2012

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Vitra**

£65

## DESCRIPTION

**Corniche storage by Ronan & Erwan Bouroullec for Vitra.**

Corniches arose from the need for small storage spaces to spontaneously keep items.

"The same way that we hang our beach towel on a rock jutting from a cliff before diving into the sea, we need small storage spaces in everyday life too" Ronan Bouroullec.

Corniches are neither regular shelves nor simple horizontal surfaces, but rather individual, isolated protrusions in the environments that we create. Whether as a key rack beside the front door, a spot to put the soap dispenser on in the bathroom, as a pedestal for a small collection of objects or as a large installation, Corniches are a way to use the wall in your living space.
