

Metal side table, 2004

Designer: **Ronan and Erwan Bouroullec**

Manufacturer: **Vitra**

£529

DESCRIPTION

Metal side table by **Ronan & Erwan Bouroullec** for **Vitra**.

Metal side tables constructed from bent and welded sheet steel, powder coated with a highly polished finish in a range of colours. Light enough to be easily moved around the home and serving a wide variety of purposes, these side tables work equally well as singular pieces or as a trio, and are an attractive addition wherever they stand.

An **outdoor** version is also available.

DIMENSIONS

Small: 31.5w x 31.5d x 38cmh

Medium: 40w x 40d x 44.5cmh

Large: 70w x 31.5d x 35.5cmh

MATERIALS

Tabletop and base are crafted from bent and welded sheet steel with a powder-coated highly polished finish.

Available in white or chocolate finish. Felt glides make them suitable for hard or soft flooring.
