DESCRIPTION

Paris Mobile by Volta Paris.

Formed in 2015 by brothers Otxo and Mario Conti, Volta is a Parisian brand dedicated to the design and production of visually interesting and unique mobiles. All of Volta's products are handmade in small batches in an environmentally friendly way in their atelier in Barcelona, Spain.

Paris is a tabletop decorative mobile - or stabile - with a gracefully minimalist design. Its size makes it suitable for smaller spaces such as desktops or shelves, and its subtle movement is enabled by its precisely balanced form.

With a jet black base and arms, and primary-coloured paddles in red, white, yellow and blue, the Paris tabletop mobile brings to mind the bold paintings of Dutch artist Mondrian.
