DESCRIPTION

Roma Mobile by **Volta**.

Established in 2015 by Otxo and Mario Conti, Volta is a Paris-based label specialising in crafting visually captivating and distinctive mobiles. The brand's products are handmade in small, eco-friendly batches at their workshop in Barcelona, Spain.

One of Volta's offerings is the Roma tabletop mobile, which features an elegantly minimalist design and is perfectly sized for smaller areas such as shelves or desks. The mobile's subtle movement is made possible by its precisely balanced form, while its black base, arms, and coloured paddles in red, white, yellow, green and blue introduce a refined jubilation to its environment.
