DESCRIPTION

w181 Linier Pendant by **Dirk Winkel** for **Wastberg**.

The beauty of the w181 Linier pendant lies in its details. The slim black aluminium body suspended at its Bessel points ensures perfect balance and stability. The light provides crisp directed light, thanks to the 256 deep-recessed individual optical systems. The light also features separate anti-glare compartments which allow the w181 to produce glare-free, well-balanced light.

The w181 Linier comes with integrated dimming wheels which can be used to set the desired light level, providing optimal adaptability.

Choose between 2700k or 3000k colour temperature according to your need.
