DESCRIPTION

w202 Halo Pendant Light by **Claesson, Koivisto & Rune** for **Wastberg**.

A family of mouth-blown opal glass pendant lights, the w202 Halo pendants can be hung individually or grouped to create a focal point and introduce spatial definition to interiors.

The Halo pendant revives the archetypal classic light bulb giving it a new form factor, serving as a homage to it by recreating its timeless unity of light and form. The pendant is available in three different sizes and two light control options.
