Manufacturer: **Wastberg**

£534

DESCRIPTION

w132 Nendo Pendant Lamp by **Oki Sato-Nendo** for **Wastberg**.

A simple yet intelligent lighting solution, the w132 Nendo is a playful minimalist lighting collection. The diffuser provides a soft, pleasant light perfect for home or office use. Use it in single or add the different variants together to form a beautiful light composition that is perfect for your space.

The shade unit comes with two connectors which allow w132 Nendo to be used as a pendant, floor lamp or table lamp. The table and the floor lamp comes with even more versatility as the height can be lowered and raised using the adjusting wheel.

The shades are available in three different shapes- a cone, a sphere and a cylinder. Made from spun steel, the w132 Nendo comes with an outstanding finish.
