

William Daybed

Designer: **Damian Williamson**

Manufacturer: **Zanotta**

£3,385

DESCRIPTION

William Daybed by **Damian Williamson** for **Zanotta**.

The William daybed features aluminium alloy feet, a steel frame and elastic straps for suspension.

"Just like William: in five years, together with Zanotta, we have reached the complete collection, modern and elegant, offering a wide selection for any exigencies in terms of comfort in the living room. For example, you may have the upholstered seat without backrest, to sit on both sides and look *vis-à-vis*, as well as the possibility to join a small-table/shelf to the frame" Damian Williamson

As a part of the William range, the prices shown here are for the daybed option. Please see 'product downloads' for all available compositions in the William range.

DIMENSIONS

190w x 78d x 43cmh

MATERIALS

Aluminum alloy feet, a steel frame, elastic straps for suspension, and upholstery in polyurethane / heat-bound polyester fiber with goose down. The William also features removable fabric or leather cover.

Available in a range of fabrics and leathers. Please see downloadable fabrics and leathers pdf in 'Product downloads' for more information.
