DESCRIPTION

William Pouf by **Damian Williamson** for **Zanotta**.

The William pouf features aluminum alloy feet, a steel frame and elastic straps for suspension. The William also features removable fabric or leather cover.

"Just like William: in five years, together with Zanotta, we have reached the complete collection, modern and elegant, offering a wide selection for any exigencies in terms of comfort in the living room. For example, you may have the upholstered seat without backrest, to sit on both sides and look *vis-à-vis*, as well as the possibility to join a small-table/shelf to the frame" Damian Williamson

As a part of the William range, the prices shown here are for the pouf option. Please see 'Product downloads' for all available compositions in the William range.
