

William three-seat sofa, 2010

Designer: **Damian Williamson**

Manufacturer: **Zanotta**

£6,721

DESCRIPTION

William three-seat sofa by Damian Williamson for Zanotta.

The William three-seat sofa features aluminium alloy feet, a steel frame and elastic straps for suspension. The William also features removable fabric or leather cover.

"Just like William: in five years, together with Zanotta, we have reached the complete collection, modern and elegant, offering a wide selection for any exigencies in terms of comfort in the living room. For example, you may have the upholstered seat without backrest, to sit on both sides and look *vis-à-vis*, as well as the possibility to join a small-table/shelf to the frame" Damian Williamson

As a part of the William range, the prices shown here are for the small and large three-seat option. Please see 'Product downloads' for all available sizes, compositions, and fabric/leather choices.

DIMENSIONS

Small 224w x 90d x 87cmh

Large 266w x 90d x 87cmh

MATERIALS

Aluminium alloy feet, a steel frame, elastic straps for suspension, and upholstery in polyurethane / heat-bound polyester fibre, with goose down.
