

Bookie

Designer: **Lincoln Rivers**

Manufacturer: **Wireworks**

~~Was £400~~ Now £340

DESCRIPTION

Bookie by **Lincoln Rivers** for **Wireworks**.

The Bookie bookcase makes it easy to keep all your favourite books nearby. With five shelves in descending size, this freestanding unit is perfect for storing books or showing off decorative objects. The shelf sides hold books upright, meaning bookends are not required. Its tapered shape allows easy placement next to a chair, sofa, or any open-plan space due to its multi-faced sides.

DIMENSIONS

31w x 32d x 155cmh

MATERIALS

Available in solid American oak with a natural lacquer finish.

Comes assembled.

An optional anti-tip kit is included.
