

Bookie bookcase

Designer: **Lincoln Rivers**

Manufacturer: **Wireworks**

£360

DESCRIPTION

Bookie bookcase by **Lincoln Rivers** for **Wireworks**.

The Bookie bookcase offers a convenient way to keep your favourite volumes to hand.

This freestanding storage unit has five shelves arranged in descending order of size and can be used to store books or display objects. Coffee table books will fit in the lower, largest shelf while paperbacks can be placed above - and the shelf sides are designed to hold books upright, meaning bookends are not required.

It's tapered form means that it does not need to be aligned with a wall and since it has no front or back it can be used in open-plan spaces and alcoves, as desired. Ideally sized to be placed next to a lounge chair or sofa.

An optional anti-tip kit is included.

DIMENSIONS

31w x 32d x 155cmh

MATERIALS

Available in solid American oak with a natural lacquer finish.
