DESCRIPTION

Glance wall mirror by **Lincoln Rivers** for **wireworks**.

The minimal Glance round wall mirror is characterised by a slender-edged oak frame with a deep side profile. Its generous proportions bring light to any space, elegantly appearing to float, thanks to the adept hanging fixture that creates space between the frame and wall.

Available in two sizes, Glance can be hung individually or in combination to create a unique arrangement. Finished with a matt, water-resistant lacquer, the mirror is also suitable for bathroom use.

DIMENSIONS

Small: 31dia x 3.5cmd

Large: 66dia x 4.5cmd

MATERIALS

Glance is crafted from American sustainably harvested white oak and oak veneers - chosen for their warm hue, unique grain pattern and longstanding durability.
