

Hello console

Designer: **Lincoln Rivers**

Manufacturer: **Wireworks**

£299

DESCRIPTION

Hello console by **Lincoln Rivers** for **Wireworks**.

The Hello console is a storage table that sits flush against a wall with a slim profile that will not block a hallway.

There are two shelves for footwear and a surface top for small items such as keys, mail, gloves, etc.

Made from sustainably harvested, solid American white oak and oak veneers, finished with a matt, water-resistant lacquer. The crisp edges are finely hand sanded to make them soft to the touch.

Requires assembly.

DIMENSIONS

81w x 28d x 75cmh

MATERIALS

Made from sustainably harvested, solid American white oak and oak veneers, finished with a matt, water resistant lacquer.

Epoxy painted top in natural oak, white or black
