DESCRIPTION

Slim Laptop Desk by **Lincoln Rivers** for **Wireworks**.

The Slim Laptop Desk from Wireworks is a versatile piece of furniture that works equally as a workstation, a dressing or an occasional side table. The desk's minimal form and slim dimensions allow it to be placed in various settings and spaces.

Thoughtfully designed by Lincoln Rivers for simple functionality, the console's solid oak legs provide a stable, rigid construction. Also featuring a lipped edge on three sides stops things from falling off.

DIMENSIONS

110w x 40d x 74cmh

Maximum recommended load 10kg.

MATERIALS

Made from sustainably harvested natural American white oak. Finished in a matt, water resistant lacquer.
