DESCRIPTION

Slimfit 600 cabinet by **Lincoln Rivers** for **Wireworks**.

The contemporary Slimfit 600 Cabinet from Wireworks is minimal single door bathroom mirror cabinet. Featuring a super-slim mirror edge with a circular mirror inside which provides five times magnification for great close up view. The extending hinges afford a wider door opening with easy access to the magnifying mirror inside.

The vertical cabinet can be fixed with either left or right-hand opening and can be mounted in pairs. A full edge redatte stretches on three sides allowing the door to open effortlessly. The inside features two adjustable, polished, tempered glass storage shelves.

Every part is individually crafted, and is available in a range of sustainably harvested American wood variants. Parts are hand sanded and lacquered with a matt, water resistant finish. Concealed fixings give a seamless look.

DIMENSIONS

42w x 12d x 60cmh

MATERIALS

The cabinet is made from sustainably sourced American white oak or walnut, finished with smooth, water-resistant matt lacquer.

Two glass shelves.
