## DESCRIPTION

**Coast Rug with Backing** by **Ritva Puotila** for **Woodnotes**.

Ritva Puotila's Coast paper yarn carpet seamlessly melds tradition with durability to produce a rug that is both timeless and sustainable.

The rug's incredible resilience and strength stem from meticulously woven wood fibres that form a compact arrangement to prevent dust accumulation; this makes it an excellent option for individuals with dust allergies.

Coast showcases a seamless interweaving of two colours that work harmoniously to create a sense of depth that beautifully accentuates the rug's innate natural materials.

Woven from plant fibres, Coast is 100% vegan, bearing testament to Woodnote's commitment to ethical craftsmanship.
