Manufacturer: **Woodnotes**

£510

## DESCRIPTION

**Ground In/Out Rug** by **Ritva Puotila** for **Woodnotes**.

The Woodnotes' Ground rug debuted at the 2024 Salone del Mobile, boasting a calming green hue that infuses any space, indoors or outdoors, with a refreshing ambience. When placed indoors, this carefully selected colour exudes a calming and airy feel, instilling a sense of tranquillity. When positioned outdoors, it effortlessly merges with the natural environment.

Crafted from polypropylene for its robustness and resistance to moisture and humidity, these rugs are ideal for poolside areas, terraces, and balconies.

twentytwentyone is the exclusive agent of Woodnotes in the UK.

## MATERIALS

Crafted from polypropylene with two edge finishes:

**Sewn edges and ends with narrow edging (U)**

**Sewn edges, backing and ends with narrow edging (S)**

Rugs without backing (U) are reversible. Non-skid underlay can be used if needed and are recommended to prevent the weave curving.

Rugs with backing (S) up to 215cm are supplied with anti-slip felt. Carpets wider than 215cm come with felt backing.

The rugs can be purchased in custom sizes and with additional soil-repellent treatment. Please enquire here for more information.

Suitable for residential and light contract use.

Do not let the product sit in water for any prolonged period. Let the product dry thoroughly.
