## DESCRIPTION

**New York Rug with Backing** by **Ritva Puotila** for **Woodnotes**.

The New York design embraces a rectangular checker pattern woven from two shades of paper yarn. These carefully selected colour combinations infuse a natural and serene ambience into their surroundings.

The rug boasts remarkable resilience and strength due to the fibres of wood, which are meticulously woven in compact arrangements to prevent dust from gathering - making it an excellent option for those with dust allergies.

Woven from plant fibres, New York is 100% vegan, bearing testament to Woodnote's commitment to ethical craftsmanship.
