

Oliva Armchair, 2019

Designer: **Constance Guisset**

Manufacturer: **Zanotta**

£2,610

DESCRIPTION

Oliva armchair by Constance Guisset for Zanotta.

The Oliva armchair features a soft seat and back which resembles an open shell with its enveloping and generous curve form. The padded polyurethane elements used in the upholstery hides a steel frame which sits on the stable solid wooden legs. Similar to a piercing, the front legs stretch through the seat cushion, before blending with the rear legs to produce a unique impression of structural lightness.

DIMENSIONS

83w x 72d x 42/71cmh

MATERIALS

Legs in solid maple wood, lacquered in the shades black or ash grey. Steel frame. Upholstery with self-extinguishing polyurethane foam/heat-bound polyester fibre. Removable cover in fabric or leather.

Upholstery available in six different fabric groups and three different leather groups. Please see downloadable Zanotta fabrics pdf in 'product downloads' for available options.
