

## Grid Wall Light

Designer: **Front**

Manufacturer: **Zero Lighting**

£1,121.67

### DESCRIPTION

**Grid Wall Light** by **Front** for **Zero Lighting**.

The Grid wall light is a charming and linear wall light. Available with different hole formations, this attractively industrial raw finish with welding marks visible through the transparent varnish, is ideal for any home corridor or contemporary public space.

### DIMENSIONS

9.6w x 9.6d x 125cmh

### MATERIALS

The Grid wall light is formed from industry-standard sheet metal with different hole formations: either perforated metal with square holes or expanded metal.

Light sources:

IP20 LED 1297LM/19W L1250 3000K

IP20 LED 1297LM/19W L1250 3000K (dimmable)

Available in yellow, orange, metal, or gold finish, in both dimmable and non-dimmable versions.

**Please note:** This is a CE-approved product and should only be used in countries that accept and adhere to this standard. If used in other countries, it will be the sole responsibility, risk and liability of the customer.
