

Hug armchair, 2019

Designer: **TA Design Studio**

Manufacturer: **Zilio A and C**

£708

DESCRIPTION

Hug armchair by **TA Design Studio** for **Zilio A+C**.

The Hug Armchair was created by fusing the design of two classic archetypes: the Chinese Ming-style circle chair, and the Thonet Vienna N.811 armchair. This pairing creates a minimalist creation.

The name Hug stands for: Humane, Universal and Genuine, however, it also reflects the sensation of an enveloping hug, another inspiration behind this chair.
